# STRATEGY OF THE FINNISH NETWORK OF REGIONAL DANCE CENTRES

## OUR MISSION

The network of regional dance centres is a collaboration platform that works to develop the operations of the regional dance centres in Finland. We are the biggest employer in the freelance dance field in Finland. Our mission is to maintain and develop the availability and accessibility of dance-based art on the national level. As the leading network of dance experts, we are also an active participant in national cultural politics.

## OUR VISION

The network of regional dance centres is the dependable dance pioneer in a constantly changing environment that strives to make dance art diverse and determined, and works to bring it close to everyone.

## OUR VALUES

### RESPONSIBILITY

Our activities are professional, transparent, equal and promote the principles of sustainable development.

### CURIOSITY

Our network is a vital, vigilant and open-minded pioneer within its field art – always in touch with the times

### DIALOGUE

The network is a collaboration partner that listens, engages in dialogue and distributes knowledge and information.

### ARTISTIC DIVERSITY

The network's activities, based on the absolute value and importance of art, aim for maximum diversity of dance-based art.

## SPHERES OF ACTIVITY

- Influencing of cultural politics
- Collaboration and dialogue with other art organisations on a national level
- Communication
- Development of artistic collaboration and initiatives
- Building of resources and expertise

## CIRCULATION

Kiertoliike ("Circulation") is the only professional dance forum in Finland. The event, arranged annually in collaboration with the network of regional dance centres and Dance House, takes place in a different city and different region of Finland each year.
